

Grading Practices

School: Princess Anne High School

Subject(s): Accounting / Advanced Accounting, CIS / Advanced CIS, Financial Management

Grade Level: 9-12

Homework

Homework will be assigned on an 'as needed' basis. (Unfinished Classwork, by default, becomes homework)

Late Work

Students will have until the next class to complete assigned work and submit to avoid academic support consequences.

Explanation of Zeroes

Missing assignment (MI) or Not-Proficient (NP) Assignments will be temporarily reflected as a zero until the student completes the assignment, earns proficiency or the grading period ends at which point a zero will be entered for missing assignment and the assignment grade entered regardless of "proficiency"

Reassessment

Students will have up to two-weeks to demonstrate they have learned the material and are prepared for a redo or retake. As always, teacher discretion may be used to determine if a longer period is necessary

Make-up Work

Students have until 3 days prior to the end of the grading period to makeup work.

Extra Credit

Extra credit may be earned if up industry certification is achieved.
