

## Grading Practices

School: Princess Anne

Subject(s): Health and PE

Grade Level: 9th and 10th

### Homework

**5%** Teachers do not assign homework unless material was not finished in the allotted time for class

### Late Work

Students must make up missing assignments within 3 days of an absence. Late work handed in within a 2 week time frame, from when the assignment was due, will be graded with the starting grade at a 10% decrease in points.

Late assignments will not be given the opportunity for a grade recovery.

### Explanation of Zeroes

Once the two weeks have passed students will not be allowed to turn in missing assignments. Special consideration can be made for students facing difficult situations.

### Reassessment

Once the two weeks have passed students will not be allowed to turn in missing assignments. Late assignments will not be given the opportunity for a grade recovery.

Threshold grade- anything below an 86 can be redone or retested. Students will be required to complete a remediation assignment in order to be eligible for the re-do or re-take

### Make-up Work

#### Make-up policies. PE

Students will be given the option to come during a Study Block and participate in another teacher's class for full credit.

If Study Hall is not an option, students will be allowed to come after school with teacher permission.

If these options cannot be met then the student can gain a note from a, preapproved by the teacher, activity authority. The student may only use this option for 1 absence.

#### Make up Policy for Health

Students must make up missing assignments within 3 days of an absence.

#### **Extra Credit**
