

Grading Practices

School: Princess Anne High School

Subject(s): Naval Science I-IV

Grade Level: 9-12

Homework

10% of the course grade will consist of homework.

Late Work

Homework assignments must be completed. If not turned in when due, the assignment must be turned in the next class. If not turned in by the class after the due date, an Academic Development session will be assigned at which the homework will be completed. If absent on the date homework is due, it must be turned in the next class.

Explanation of Zeroes

If not in uniform on the assigned day, a "Missing Assignment/"0" will be entered in the gradebook. The cadet must wear the uniform the next class day and will receive an adjusted grade. Multiple days out of uniform (Missing Assignments) are grounds for disenrollment per the Cadet/Parent Agreement.

Reassessment

Students will have two-weeks to demonstrate they have learned the material and are prepared for a redo or retake. As always, teacher discretion may be used to determine if a longer period is necessary.

Make-up Work

All missed assignments remain assigned. It is the cadet's responsibility to make up assignments in the same amount of time as the original assignment. Assignments must be made up within one week after returning to school. Otherwise, a "Missing Assignment" and "0" will be assigned until it is turned in.
